

Phillip Steiner

Dedicated and hardworking college student with a strong collaborative work ethic. Skilled at managing and completing multiple tasks without direct oversight. Looking to gain professional, real-life experience in a consumer oriented environment

Core Qualifications

- Meticulous problem solver
- Loyal team member
- Excellent communication skills
- Strong on-the-go adaptability
- Good computer skills

Work Experience

Internship with MakeSafe Tools

Spring 2019 - Present

- Developing automated testing equipment to quality check products during and after manufacturing processes
- Continuously ensuring that all completed items are thoroughly documented
- Represented MakeSafe Tools at several public and private events to boost product awareness

Communications Assistant with LMU's Media Relations Department

Spring 2018 - Spring 2019

- Analyzed and summarized news relevant to the university
- Regularly reviewed, edited, and posted event advertisements on online event services
- Collaborated with department employees to ensure that all tasks were completed by set deadlines

Undergraduate Research at Loyola Marymount University

Spring 2018 - Fall 2018

- Worked with graduate students to design and prototype specialized photonics equipment
- Communicated technical specifics with teams working on projects dependent on our prototype to ensure compatibility
